2 new hardstylers with the need to party!

Bad HabitZ is started by two guys (Ferry Overduin, Rody Bothe) with passion and love for music most of their lives.

It ain't also a surprise that they started their one label.

Their first record Bad HabitZ 001 came out with on the A side Bad HabitZ and on the B side Tear It.

For their second record Bad HabitZ 002 they were asked by DJ Gizmo to produce with him and Suus The Anthem for Fantasy Island.

Also do you find on the A side of the second record Our Moment ft Mc. Jb. and Kels and on the B side DelusionZ ft Mc. M-Shane.

Now the third one is for sale, Bad HabitZ 003
